E) PLANS AND INITIATIVES TO CONTINUE THESE EFFORT IN THE FUTURE

E1)La Laguna, in 2023 to ensure the sustainability of the actions offered to citizens has an annual budget of around 227 million euros, the Department of Social Welfare has 30 million euros and the Department of infrastructure works and accessibility, with 17 million. The City Council has incorporated accessibility in its policies and strategies. A large amount of investment has been allocated to the built environment, roads, public spaces, services and ICTs.

In La Laguna, the quality of initiatives is guaranteed by having solid structures such as the Disability Council, the Council for the Elderly, the Children's Council, their regulations, strategic plans, councils with their own budgets and staff.

E2) The future projects are: (E2.1) El Parque Inundable "Flooded park", (E2.2) the project for the first phase of the Sports Complex in Tejina (115,000 euros) and (E2.3) the project for the construction of the Municipal School of Music in Finca España (150,000 euros);

The plan also includes 350,000 euros for accessibility improvement actions.

This is a budget whose main focus is on people and the defence of the most vulnerable groups.

Fa) La Laguna has a Council for Disability and Promotion of Personal Autonomy.
