San Cristobal de La Laguna

We hope that this guide becomes a living document for everyday use and ensures access to information as a basic right for all citizens.

RESOURCE GUIDE FOR MIGRANTS RESIDING

The City Council of San Cristóbal de La Laguna presents this guide for immigrants with the aim of providing the most comprehensive and up-to-date information possible on the various resources available to the immigrant population. This guide seeks to facilitate the process of integration and coexistence for individuals from any part of the world.

“ Facilitating the process of integration and coexistence for individuals from any part of the world.

”

It is a constantly updated tool to enhance the integration of immigrants who wish to live and work in the municipality of San Cristóbal de La Laguna.

It includes immigrant associations, social entities, and others focusing on issues related to the community. It also serves as a reference document for professionals advising and working with the community.

The content of the guide is divided into 4 sections:

LEGAL ASSISTANCE

Services and organizations where you can inquire about issues related to regularization, administrative procedures, residence permits, information on family reunification, and everything related to immigration-related questions.

SOCIO-HEALTHCARE ASSISTANCE

Information about housing resources and access to housing, social care and support, assistance in cases of social emergencies and vulnerability, healthcare resources, and support for cases of gender-based violence.

EDUCATION AND EMPLOYMENT

Resources for guidance on educational qualifications recognition, educational institutions for formal education, training centers offering employment and skills training, career counseling services, and support in job searching.

LEISURE AND COMMUNITY PARTICIPATION

Opportunities for social and civic participation, neighborhood associations, senior citizens' associations, youth centers, leisure and sports activities, etc.

We hope this guide becomes a living document for everyday use and ensures access to information as a basic right for all citizens.
